Manufacturer's Limited Warranties

Lifetime Material Warranty

Gutter Cap, Inc. warrants to the original consumer purchaser that the Heater Cap panel covered by these warranties will be free of defects due to faulty material or workmanship for the lifetime of the original consumer purchaser of the Heater Cap panel, under normal use and maintenance, normal exposure to sunlight, WFP 612 cable temperatures, and other natural elements, and subject to the exceptions, limitations, disclaimers, and other terms and conditions contained in these warranties.

Heat Cable Warranty

The self regulating cable meets or exceed the following tests: Abrasion resistance, Cold Bend, Deformation, Dielectric withstand, Resistance to impact, Resistance to crushing, and UV: Gutter Cap Inc. warrants the Self-Regulating heat cable to be free of defects due to faulty material for five years from the date of purchase, excluding the electrical work up to the heater cable.

Conditions

All roof ice melt, gutter and downspout heating cables must be protected with an approved equipment protection device. (30 milliamps ground fault circuit breaker or approved equivalent per: NATIONAL ELECTRIC CODE SECTION 426.28 EQUIPMENT PROTECTION.) The Heater Cap System must be installed by a licensed/authorized dealer in accordance with the recommended installation procedures. It is a requirement that gutters and downspouts be thoroughly cleaned, gutters properly aligned, and sloped and all downspout screens removed at thee time of installation of the Heater Cap panel system.

Warranty Service

Any claim for performance failure or defects under this Warranty must be submitted to the installing dealer for service and resolution. All claims must be submitted within the Warranty period, promptly after discovery of the claimed defect, describing the defect claimed, and referring to the date of installation and proof of purchase. Reasonable time should be allowed for inspection purposes. Service calls for non-Warranty repair or adjustment may result in a service charge.

Exclusion to Warranties

This Warranty does not cover any other damage or material failure including, but not limited to, damage cause by occurrences beyond the control of Gutter Cap, Inc. such as the settlement of the building, use of incompatible accessories, normal weathering, chemical pollutants, fire, flood, lightning, windblown objects, earthquake, hurricanes, ice damming, weather of catastrophic nature as defined by the U.S. Weather Bureau, cables chewed by animals, other acts of God, intentional acts, unreasonable use or failure to provide reasonable maintenance, Homeowner negligence, power failures, the quality of the atmosphere, and other local factors. Painting the specially coated Heater Cap panel system will void this Warranty. Installing, adjusting, or tampering with the Heater Cap panel system by unauthorized contractors (painters, roofers, electricians, etc.) or misalignment caused by ladders placed against gutters or Heater Cap panel system will void these warranties.

Remedy and Rights

These Warranties of Heater Cap panel system are the only expressed limited warranties provided by Gutter Cap, Inc. No employee, representative, agent of Gutter Cap, Inc., nor any other person, has authority to assume or incur on behalf of Gutter Cap, Inc. any obligations, liability or responsibility in place of or in addition to these Warranties.

Registration of Warranties

Please sign that you have received and understand these limited warranties and return the attached product registration card to Gutter Cap, Inc. at the address indicated on the card within thirty (30) days of the Heater Cap panel system installation. By returning the product registration card, your name and date of purchase will be recorded and can act as proof of purchase.
